

WALL BENCH

 produit **Easy cleaning**

Specially designed
for concrete walls

Suffixe propose you a bench fixed on the wall. Hard-wearing this bench has the advantage to be easy to clean, to improve the well-being in the hygienic place and be aesthetic.

Classical version

- > Steel tube wall bracket covered by 100% polyester resin oven-baked.
- > The seat bench is gathered in the factory on a connector board, ready to be fixed on a wall bracket. Fastenings provided.
